

ANOTHER NIGHT

(lyric by Roy Freeland - music by Beppe Cantarelli)

All my friend got to ask if I m shattered
I say the past is the past and it no, longer matters
I ve made my mind up, I can take it
I 'll be fine even if I got to take it
I' ll keep surviving

(Chorus)

Another Night without you
Another Night I Known I can get through
Another Night, It's only
Another Night I won't be lonely
(go to first 1/2, 2nd chorus)

Use to search in the crowd to find you
But I don't feel like it now, so don't look behind you
You better face it, I won't be calling
I hit my stride when the evening is falling
I m gonna make it

(Chorus)

OO.. Another Night without you
Another Night I m gonna hold on
Another Night, it ain't long
Another Night I won t be lonely
Another Night without you
Another Night I m gonna live just
Another Night, it ain't much
