

BEFORE THIS NIGHT IS THROUGH

Music by BEPPE CANTARELLI – Lyric by ADRIENNE ANDERSON

I've been crazy for you for so long
How could something so right, turn out so wrong
Words never mean what they say
Words just get in the way

(CHORUS 1)

BEFORE THIS NIGHT IS THROUGH
Gonna make you see
When I make love to you
Make you cry for me
You know the things I do, I'll make you feel so right
BEFORE THIS NIGHT IS THROUGH

Hearts broken in pieces need time to mend
Without loving they fall apart in the end
Fools never admit they're wrong
They live their lives alone

(CHORUS 2)

BEFORE THIS NIGHT IS THROUGH
How divine we'll be
When I make love to you
You'll belong to me
BEFORE THIS NIGHT IS THROUGH
We're gonna get to the truth

BEFORE THIS NIGHT IS THROUGH
Gonna light your fire
BEFORE THIS NIGHT IS THROUGH
You'll know true desire
Nothing I wouldn't do to make you see the light
BEFORE THIS NIGHT IS ...

(BRIDGE)

Come inside, close the door, come to me now
Let's fly away, we know how
Let the past be the past, let it all slip away
Baby I know, I know we told lies and to lie is a sin
We'll get to the truth, we will simply begin

(Instrumental break-Down)

BEFORE THIS NIGHT IS THROUGH
Gonna make you see
When I make love to you
Make you cry for me
Nothing I wouldn't do, you're gonna see the light
BEFORE THIS NIGHT....BEFORE THIS NIGHT IS TROUGH
