

## **DON'T SAY NO MORE**

*Music by BEPPE CANTARELLI*

*Lyric by BEPPE CANTARELLI, DORA KRANNING & PATRICE CANTARELLI*

Now all is gone  
It's a brand new life living  
And I feel so strong  
Perhaps a little scared of loving  
A love like ours  
Heart of mine don't dare to start  
DON'T SAY NO MORE

(BRIDGE)

I'm fine here but out somewhere  
There's a lonely, lonely house  
That turns all my dreams away  
DON'T SAY NO MORE  
Don't be so sure

She walked out the door  
And said she didn't love me anymore  
Forgot the promises we made  
Now I dream alone the dreams we shared  
Heart of mine don't care

DON'T SAY...DON'T SAY NO MORE  
I know it's a whole new life you're living  
And you're not afraid  
To be in love again and crazy  
The way we were  
Heart of mine please don't start  
DON'T SAY NO MORE

(HARMONICA SOLO)

(REPEAT BRIDGE)

DON'T...DON'T...DON'T SAY NO MORE  
It's a whole new time for dancing  
Don't cry no more  
Time for fun with some romancing  
Not the way we were  
Heart of mine don't dare to start  
Heart of mine don't care be smart  
DON'T SAY NO MORE
