

# DON'T YOU KNOW

by Beppe Cantarelli

(c) 2002 Shiva Diva Music (ASCAP)

(CHORUS) DON'T YOU KNOW  
that I know  
when you cry  
DON'T YOU KNOW  
our lonely star  
always shines  
DON'T YOU KNOW, DON'T YOU KNOW  
that I miss you  
DON'T YOU KNOW  
ain't the wind who just kissed ya  
DON'T YOU KNOW

We want to be closer and one day we will  
This won't last forever DON'T YOU KNOW  
DON'T YOU KNOW that time is our best chance  
to learn how to live & forgive  
Don't you believe for a moment  
that I don't feel what you fear

(Repeat CHORUS)

Even so far away, you're here with me  
In every moment of your day I'll be there  
DON'T YOU KNOW that time is your best friend  
With time you'll find your way  
but don't you believe for a moment  
that I have lost my faith

(Repeat CHORUS)

(Finale) DON'T YOU KNOW that time is our best friend  
With time we'll find our way  
Don't you believe for a moment  
that we have lost our faith  
DON'T YOU KNOW...that I know...
