

**(No More) GIVE ME SOME LOVING**

*Music by BEPPE CANTARELLI & DIMITRI TAMBASSIS*

*Lyric by BEPPE CANTARELLI & DORA KRANNING & PATRICE CANTARELLI*

Heart of mine don't whisper  
Now I'm back on my own  
Don't you know all my life  
I've been running

Can't you see I'm laughing  
Forget the pains she brought home  
Time to slow down your beat  
No more asking

(CHORUS)

NO MORE GIVE ME SOME LOVING  
NO MORE GIVE ME SOME LOVING  
NO MORE... GIVE ME SOME LOVING

Nasty past in the mirror  
Left a hole in my soul  
Now, while I hold someone else  
Am I still running?

Time to claim your freedom  
Heart don't let me down  
Stay cold as cities of stone  
No more crying

(REPEAT CHORUS)

(BRIDGE)

All new faces in the streets  
Is this where I belong?  
There are more season in my life  
There's more time, there's more love to give

Skipping a beat of my heart  
Just try to start a new rhythm  
Kiss me freedom  
Find an all new way to say  
GIVE ME SOME LOVING
