

## **GUARDIAN ANGEL**

*Music by BEPPE CANTARELLI*

*Lyric by BEPPE CANTARELLI & DORA KRANNING & STEVE METZ*

(CHORUS)

Why is life so hard  
So hard to face it  
But suddenly you came babe  
My GUARDIAN ANGEL

All in doubt and all is grey  
A sinking feeling in my head babe  
Just where it ends I felt I never, never know  
The search for love and affection

In times of greed people running in the streets  
It was so overwhelming  
I was raised to strive to fight for my treasure  
I'd think of love and hope for adventure

(REPEAT CHORUS)

(BRIDGE)

Like water to the rose  
You're the arrow of Eros  
The chocolate in the box  
A rainy, rainy night shelter

Poems to my heart  
A light in the darkness  
I'm your candle babe  
You're my flame

(HARMONICA SOLO)

(OUT CHORUS)

God, is life so hard  
So hard to face it  
But suddenly you came babe  
My GUARDIAN ANGEL
