PANIS ANGELICUS BREAD OF THE ANGELS
fit panis hominum becomes the bread of man,
Dat panis coelicus bread from heaven
figuris terminus which terminates the old symbols
O res mirabilis Oh, beautiful thing
Manducant Dominum A poor and humble servant
pauper servus et humilis can eat of the Lord

Buon Pastore, pane vero Good Shepard, real bread
Jesu nostri our Jesus
Miserere have mercy on us
nutrici e difendici nourish us and defend us
portaci ai beni eterni take us to the eternal blessings
nella terra dei viventi in the land of the living

PANIS ANGELICUS BREAD OF THE ANGELS
fit panis hominum becomes the bread of man,
Dat panis coelicus bread from heaven
figuris terminus which terminates the old symbols
O res mirabilis Oh, beautiful thing
Manducant Dominum A poor and humble servant
pauper servus et humilis can eat of the Lord

Tu che tutto sai e puoi You who knows and can do anything
Jesu nostri our Jesus
Miserere have mercy on us
guida i Tuoi fratelli guide Your brothers
alla tavola del cielo to the table of heaven
nella gioia dei Tuoi Santi in the joy of Your Saints
