Life must go on
We won't be closer
It's a chance we had to take
And God only knows
If we were right to be together
Why would I say it took me lonely nights
To make me realize
That THIS TIME...THIS TIME IT'S OVER
And one day we might regret what could've been

(BRIDGE)

Now you've got what you really want
And you're so far away
Stop calling here my love
Don't be cruel (2and: Don't be scared)
We've been through this game before
I can't take it anymore
It hurts, it hurts too much
Time to heal the ain I feel
Time to give our hearts some rest
(2and time: Time to forget we were the best)
Time to put away the past
I know....I know....I know...
I know THIS TIME...THIS TIME IT'S OVER
Yet I feel you closer now than before

(INSTRUMENTAL BREAKDOWN)

(REPEAT BRIDGE)

I know THIS TIME...THIS TIME IT'S OVER REALLY OVER
And one day we might forget what could have been
