The door is ajar...the door is ajar...Please take the ticket

Parking is for loading and unloading of passengers only...

Anything you say can and will be used against you

in a court of law...

**THE HUMAN MIND IS UTTERLY DAMAGED BY FERTILE EMOTIONS DECLINED
BY SOCIETY'S PLASTIC FACES...WHICH ARE PREFERRED...WHICH ARE
PREFERRED...WHICH ARE PREFERRED...WHICH ARE PREFERRED...**

you better put on your condom...you better put on your condom...

you better put on your condom...etc.....

A world of mechanical authorities
Chains hidden behind rationalizing minds
Hidden human instincts long since forgotten
Self hatred taught by judging minds

(CHORUS)

I don't wanna live in the chains of society
It builds pyres of money and burns our souls
All those feelings deep inside...inside of me
We're living our lives with UNSEEN REALITIES

In this world of scales and rigid measurements
Religions' guides to a better life
More secure but subdued in society's mechanical thongs
Saying what to eat and when to sleep and
How to dress and how to make love...

(REPEAT CHORUS)

(BRIDGE)

We're killing ourselves
We're killing our earth
Life can be so damned easy if you let it flow
Stay true to your soul

(ISTRUMENTAL BREKDOWN)

Chains hidden behind rationalizing minds

Saying, saying...saying what to eat and when to sleep and how to dress and how to make love...

(REPEAT CHORUS TWICE)

We're killing ourselves with UNSEEN REALITIES
We're killing our lives...with UNSEEN REALITIES

FINALE/"Computerized Voices":

THE HUMAN MIND IS UTTERLY DAMAGED

WHICH ARE PREFERRED...

Fasten your seat belt...

you better put on your condom...you better put on your condom...

you better put on your condom...

Don't touch this...don't touch this...

Mr. Bernard Lantz, please pick up the white courtesy phone...

you better put on your condom...you better put on your condom...
