

WE ARE THE SEEDS OF TOMORROW

music & lyric by MARY GAFFNEY and BEPPE CANTARELLI

Heavenly Father
take away the anger
from the heart of Man
Heal our broken lives
and take away the bitterness,
the pain
Make us one with You.

Let us learn to love again
The earth our playground
was created from love
Don't let ego keep us
from knowing You
My precious blood
my precious...precious love

Open our eyes
to new life
Let us be born again
Give us a second chance
to right the wrong before
the sun no longer shines
Help us realize
WE ARE THE SEEDS OF TOMORROW
