

WE'LL ALWAYS BE TOGETHER

Strike all those evil thoughts,
from your mind
kick off your shoes and baby close your eyes
let the world and its cruelties
slip away with the breeze
listen while I tell you one more time

Stars will die before I turn and run
away from you
I will never live you, never
in times of doubt you were the only one
to believe in me
I swear we'll always be together

Give me all your shadows
I'll throw them away
let me ease you down
and baby take away the pain
come where you can't be wrong
in the arms where you do belong
understand these words I'm going to say

Stars will die before I turn and run
away from you
I will never live you, never
in times of doubt you were the only one
to believe in me
I swear we'll always be together

Don't you worry about us
we live where love is
I will never turn my back on you
